

# GALA DINNER

WEDNESDAY 25 MARCH 2026

The EUROCOAT exhibition provides an opportunity to take stock of the latest innovations in the field of coatings, as well as hosting the Technical Congress for all those involved in the industry, including managers, engineers, technicians and buyers... It's also an opportunity **to expand your network and strengthen existing links.**

The **Gala Dinner** organised by AFTPVA on Wednesday 25 March will extend these opportunities in a convivial and friendly setting, and in the unusual location of the **Musée du Vin** in Paris, easily accessible from the Porte de Versailles, where we hope to see many of you.

As the number of places is limited (150 guests), we recommend that you reserve your places in advance.
